

CUSTOM MACHINED COMPONENTS

for Oil and Gas Exploration and Processing Equipment

Hi-Tech Manufacturing is a world class ISO 9001:2008 & ISO 13485:2003 certified manufacturer of precision CNC milled and turned components and assemblies. Whether it is a simple or complex component, short run or high volume production, you can rely upon Hi-Tech Manufacturing as your complete turnkey resource from concept through order fulfillment. Our experience and expertise extends to machining of exotic materials such as 718 Inconel, Super-Duplex, and Titanium as well as plastics including PEEK and Delrin.

Capabilities

- CNC Vertical Milling
- CNC Horizontal Milling
- Multi-Axis Machining
- CNC Turning
- CNC Turning w/Live Tooling
- Welding (including Titanium)
- Secondary Finishing Operations
- Assembly
- Prototypes
- Quick Turns
- Fixturing
- Inventory Mgmt. & Logistics
- Material Sourcing
 - Standard & Exotic Metals
 - Plastics
 - Ceramics

Component Solutions

- Oil Field Components
- Subsea Components
- Small & Medium Size Components

Let **Hi-Tech Manufacturing** produce your critical components to exact specifications with service and quality second to none. For more information please contact Todd Arcari at 847.917.8398 or todd@hi-tech-mfg.com.
